## FISCAL ANALYSIS

### ASSUMPTION

#### **Section 198.074:**

Officials from the **Department of Public Safety-Division of Fire Safety, Office of Administration-Administrative Hearing Commission, Department of Public Safety** and the **Department of Health and Senior Services** each assume the proposal would have no fiscal impact on their respective agencies.

Officials from the **Department of Mental Health (DMH)** state the proposal does not impose additional responsibilities upon the DMH; therefore, there is no impact to the DMH.

Officials from the **Department of Social Services** assume the proposed legislation extends the time for loans. Costs for the sprinkler system would not be directly reimbursed by MO HealthNet, but would be a part of the on-going operating costs for the long-term care facilities. The method of calculating daily rates is set by state statute. Current MO HealthNet rates for nursing homes are based on cost reports ending in 2001 (RSMo 208.225). The rates will only be adjusted when the state statute is changed.

<u>FISCAL IMPACT - State Government</u>	FY 2012 (10 Mo.)	FY 2013	FY 2014
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2012 (10 Mo.)	FY 2013	FY 2014
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

#### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

### FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
